

**T.R.**  
**BURSA TECHNICAL UNIVERSITY**  
**GRADUATE SCHOOL**  
**2023-2024 ACADEMIC YEAR FALL TERM**  
**INTERNATIONAL STUDENTS QUOTAS**

**1-Intelligent Systems Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Intelligent Systems Engineering	MSc (with thesis)	Turkish	4		Bachelor's Degree in Computer Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Electrical Engineering, Industrial Engineering, Management Engineering, Control and Automation Engineering, Mechatronics Engineering, Mechanical Engineering, Automotive Engineering, Systems Engineering, Software Engineering.

**2-Computer Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Computer Engineering	MSc (with thesis)	Turkish	2		Bachelor's Degree in Computer/Informatics/Software Engineering or Department of Computer/Informatics/Software Science.
	MSc (with thesis) (Other Areas)	Turkish	2		Bachelor's Degree in Department of Computer Science, Information Systems Engineering, Electrical and Electronics Engineering, Industrial Engineering, Computer Education and Instructional Technologies, Mathematical Engineering, Mathematics and Computer Science, Mechatronics Engineering, Mathematics. <b>(P.S: Subject to Scientific Preparation Program)</b>
	PhD	Turkish	1		Bachelor's Degree and a Master's Degree (with thesis) in Computer/Informatics/Software Engineering or Department of Computer/Informatics/Software Science.

**3-Biocomposite Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Biocomposite Engineering	MSc (with thesis)	Turkish	5		Bachelor's Degree in Natural and Applied Sciences or Engineering.

**4-Bioengineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Bioengineering	MSc (with thesis)	Turkish	3		Bachelor's degree in Bioengineering or Chemical Engineering.

**5-Biotechnology Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Biotechnology	MSc (with thesis)	Turkish	3		Bachelor's degree in Bioengineering, Genetics and Bioengineering, Food Engineering, Chemical Engineering, Chemistry, Biology, Molecular Biology and Genetics, Biochemistry, Biotechnology, Pharmacy.

**6-Environmental Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Environmental Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Environmental Engineering, Chemical Engineering or Chemistry.

**7-Electrical-Electronics Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Electrical-Electronics Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Electrical and Electronics Engineering, Electronics and Communication Engineering, Electrical Engineering, Electronics Engineering, Control and Automation Engineering.
	PhD	Turkish	3		Bachelor's Degree and a Master's Degree (with thesis) in Electrical and Electronics Engineering, Electronics and Communication Engineering, Electrical Engineering, Electronics Engineering, Control and Automation Engineering.

**8-Industrial Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Industrial Engineering	MSc (with thesis)	Turkish	5		Bachelor's Degree in Industrial Engineering, Industrial and Systems Engineering, Systems Engineering, Management Engineering, Production Systems Engineering, Industrial Engineering and Management, Mechanical Engineering, Computer Engineering and Mechatronics Engineering.

**9-Energy Systems Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Energy Systems Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Energy Systems Engineering, Physics, Physics Engineering, Chemistry, Metallurgical and Materials Engineering, Fiber and Polymer Engineering, Mechanical Engineering.

**10-Physics Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Physics	MSc (with thesis)	Turkish	3		Bachelor's Degree in Physics or Physics Engineering.
	PhD	Turkish	1		Bachelor's degree in Physics or Physics Engineering and Master's degree (with thesis) in Physics or Physics Engineering.

**11-Naval Architecture and Marine Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Naval Architecture and Marine Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Naval Architecture and Marine Engineering, Ship and Marine Technologies Engineering or Ship Machinery Management Engineering.

**12-Food Engineering Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Food Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Food Engineering.

**13-Advanced Technologies (Material Science and Engineering) Department**

Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Advanced Technologies (Material Science and Engineering)	MSc (with thesis)	Turkish	3		Bachelor's Degree in Metallurgical and Materials Engineering, Materials Engineering, Materials Science and Engineering, Ceramics Engineering, Chemical Engineering, Chemical and Process Engineering, Polymer Engineering, Fiber and Polymer Engineering, Physics Engineering, Textile Engineering, Physics or Chemistry.

14-Civil Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Hydraulic	MSc (with thesis)	Turkish	2		Bachelor's Degree in Civil Engineering, Environmental Engineering or Hydraulic Engineering.
	PhD	Turkish	1		Bachelor's Degree in Civil Engineering, Environmental Engineering or Hydraulic Engineering and Master's degree (with thesis) in Civil Engineering, Environmental Engineering or Hydraulic Engineering.
	PhD	Turkish	2		Bachelor's Degree and Master's degree (with thesis) in Civil Engineering Departments.
Structure	MSc (with thesis)	Turkish	2		Bachelor's Degree in Civil Engineering Departments.
15-Business Administration Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Business Administration	MSc (with thesis)	Turkish	5		Bachelor's degree in Business Administration, Management Engineering, Industrial Engineering, Banking and Finance, Human Resources Management, Islamic Economics and Finance, Statistics, Public Administration.
	PhD	Turkish	1		Master's degree (with thesis) in Business Administration, Accounting and Finance, Production Management and Marketing, Quantitative Methods or Management and Organization.
16- Urban Design Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Urban Design	MSc (with thesis)	Turkish	4		Bachelor's Degree in Urban and Regional Planning, Architecture or Landscape Architecture.
17-Chemistry Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Chemistry	MSc (with thesis)	Turkish	5		Bachelor's degree in Chemistry, Chemical Engineering or Metallurgical and Materials Engineering.
	PhD	Turkish	3		Bachelor's degree in Chemistry, Chemical Engineering or Metallurgical and Materials Engineering and Master's degree (with thesis) in Chemistry, Chemical Engineering or Metallurgical and Materials Engineering.
18-Chemical Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Chemical Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Chemical Engineering.
19-Mechanical Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Mechanical Engineering	MSc (with thesis)	Turkish	3		Bachelor's degree in Mechanical Engineering.
20-Mathematics Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Applied Mathematics	MSc (with thesis)	Turkish	3		Bachelor's Degree in Mathematics.
21-Mechatronics Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Mechanical Systems	MSc (with thesis)	%30 English	1		Bachelor's degree in Mechatronics Engineering or Mechanical Engineering.
	PhD	%30 English	1		Bachelor's degree in Mechatronics Engineering or Mechanical Engineering and Master's degree (with thesis) in Mechatronics Engineering or Mechanical Engineering
Computer Systems	MSc (with thesis)	%30 English	2		Bachelor's degree in Mechatronics Engineering, Computer Engineering, Electrical-Electronics Engineering, Electronics Engineering or Electronics and Communications Engineering.
22-Metallurgical and Materials Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Metallurgical and Materials Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Metallurgical and Materials Engineering, Materials Engineering, Materials Science and Engineering, Ceramic Engineering, Mechanical Engineering, Chemical Engineering, Chemical and Process Engineering, Polymer Engineering, Fiber and Polymer Engineering, Aerospace Engineering, Physics Engineering, Mining Engineering, Mineral Processing Engineering, Bioengineering, Textile Engineering, Naval Civil Engineering, Energy Engineering, Industrial Engineering or Mechatronics Engineering.
23-Forest Industry Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Forest Industry Engineering	MSc (with thesis)	Turkish	5		Bachelor's Degree in Natural and Applied Sciences or Engineering.
	PhD	Turkish	2		Master's Degree (with thesis) in Bachelor's Degree in Natural and Applied Sciences or Engineering.
24-Forest Engineering (Eng) Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Forest Engineering (Eng)	MSc (with thesis)	English	4		Bachelor's Degree in Forest Engineering related departments.
	PhD	English	2		Bachelor's and Master's Degree (with thesis) in Forest Engineering related departments.
25-Landscape Architecture Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Landscape Architecture	MSc (with thesis)	Turkish	3		Bachelor's Degree in Landscape Architecture.
	PhD	Turkish	1		Master's Degree (with thesis) in Bachelor's Degree in Landscape Architecture.
26-Polymer Materials Engineering Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Polymer Materials Engineering	MSc (with thesis)	Turkish	3		Bachelor's Degree in Fiber and Polymer Engineering, Polymer Engineering, Polymer Science and Technology, Textile Engineering, Materials Engineering, Materials Science and Engineering, Metallurgical and Materials Engineering, Chemical Engineering, Materials Science and Nanoengineering, Bioengineering, Bioengineering and Materials Engineering, Physics and Mechanical Eng, Chemistry, Biochemistry, Chemistry Education, Physics, Biotechnology, Food Engineering, Nano-Science and Nano Engineering, Materials and Manufacturing Engineering, and Biocomposite Engineering.
	PhD	%30 English	1		Bachelor's Degree in Production Engineering and Master's Degree (with thesis) in Hydraulic Engineering.
27-Psychology Department					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Clinical Psychology	MSc (with thesis)	Turkish	3		Bachelor's Degree in Psychology.

<b>28-Sociology Department</b>					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Sociology	MSc (with thesis)	Turkish	5		Bachelor's Degree in Sociology.
	PhD	Turkish	2		Bachelor's and Master's Degree (with thesis) in Sociology.
<b>29-Urban and Regional Planning Department</b>					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
Urban planning	MSc (with thesis)	Turkish	4		Bachelor's Degree in Urban and Regional Planning, Architecture, Landscape Architecture or Survey Engineering.
<b>30-International Relations Department</b>					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
International Relations	MSc (with thesis)	Turkish	3		Bachelor's Degree in International Relations or Political Science and International Relations.
<b>31-International Trade and Logistics Department</b>					
Sub Department	Program	Teaching Language	International Students		Requirements of Application
			General Quota	Lateral Transfer Quota	
International Trade and Logistics	MSc (with thesis)	Turkish	5		Bachelor's Degree in International Trade and Logistics, International Trade and Logistics Management, International Trade, International Trade and Finance, International Trade and Financing, International Trade and Business, International Trade and Marketing, Electronic Commerce and Management, Logistics, Logistics Management, International Logistics Management, International Logistics and Transport, Transport and Logistics, Maritime Business Management, Economics or Business Administration.
